

Our Lady of the Miraculous Medal Parish School

November 1, 2021

Dear OLMM families:

We are happy to announce that we will be hosting our **2021 Jog-a-thon on Wednesday and Thursday, November 17th and 18th**. This year, since students are back on campus, our Jogathon will return to an in-person event and students will once again run on the school track. As you recall, last year's Jogathon was 100% virtual and we used an online site called Donor Perfect to raise and collect funds. Not only was using Donor Perfect a huge success, allowing us to raise over \$30,000, it was a convenient way for parents to create a student fundraising page and raise funds for their child, as well as track their student's progress in hitting their fundraising goal.

Our goal this year is to raise **\$35,000** to help support our efforts in raising funds for our OLMM Scholarship Fund, technology upgrades and facility improvements. As this fundraiser is **100% credit** towards the OLMM mandatory Fundraising pledge, we are asking each family to set a personal goal to raise a **minimum of \$200** to help us reach our school-wide goal.

Our Jogathon Donation Portal is officially open TODAY, Monday, November 1st and will close on Tuesday, November 30th at 11:59 pm. Please help us make this year's Jogathon the best one yet by sharing your link with family and friends.

If you go the distance you have a chance to win the following:
